

Statement of costs for tuition fee paying students admitted for the academic year 2024

At University West the tuition fee is divided into one instalment per semester. (For one year 2 instalments, for two years 4 instalments etc.) An invoice will be issued for each instalment.

Included in the tuition fee (other than the education admitted to):

- 24/7 student insurance provided by the Swedish public agency Kammarkollegiet (FAS)
- Pick-up service at airports in the region on arrival day
- Support in arranging accommodation
- Free membership in the student union
- General introduction for all international students
- Same general support as local students for example:
Guidance counselling, Career counselling, IT support/ free wi-fi everywhere on campus
- Academic support (academic writing, math etc.)

NOTE

In addition to this, the students are for Visa purposes liable to show the Swedish Migration Agency that he/she can provide for him-/herself during the time of study.

The living expenses for students in Sweden are calculated to be **9 460** SEK per month according to the Swedish Migration Agency's website.
