F211 Lecture hall

F211

2nd floor

Building F-house

FIND OUR FACILITIES
 The letter illustrates in which building you find the facility and the first number shows on what floor. You'll find F211 in the F-house on the 2nd floor.

PRODUCTION TECHNOLOGY CENTER – PTC

PTC is a part of University West and is located at Innovatum. It is run in partnership with the manufacturing industry and Innovatum. Here you find a world leading laboratory and our research environment Production Technology West (PTW). Where a great number of researchers work with the development of production processes within the manufacturing industry.
